I think you know what I've been trying to say.
When we went sailing on an emerald bay.
And like a boat out on the

I think I know what you've been asking me.
Remember all the songs you sang for me

I think you know what I've been trying to say.
I promised I would never
When we went sailing on an emerald bay.
And like a boat out on the

I think you know what I've been trying to say.
I promised I would never
When we went sailing on an emerald bay.
And like a boat out on the
leave you, and you should always know wherein you may go,
ocean, I'm rocking you to sleep. The water's dark and deep.
leave you, and you should always know wherein you may go,
ocean, I'm rocking you to sleep. The water's dark and deep.
leave you, and you should always know wherein you may go,
ocean, I'm rocking you to sleep. The water's dark and deep.

no matter where you are, I never will be far away.
in-side this an-cient heart you'll always be a part of me.

no matter where you are, I never will be far away.
in-side this an-cient heart you'll always be a part of me.

no matter where you are, will be far away.
in-side this an-cient heart, be a part of me.
Good-night, my angel, now it's time to dream,
and dream how wonderful your life will be.
Some-day your child may cry, and
if you sing this lullaby, then in your heart there will always be a part of me.
Some-day we'll all be gone but lullabies go on and on. They never die, that's how

I will be.
